

Lake Sectional Sofa

A take on the classic sectional sofa emphasizes comfort with a low profile, goose down-filled back pillows and a detachable chaise.

The wooden plinth base is a beautiful contrasting detail that adds strength as well as protection from dust and dirt.

Lake was designed for a home of architectural significance in Brentwood, California. The clients required a piece to balance high ceilings and light-filled rooms. Placed against a window-filled wall, Lake became the anchoring gesture.

Provenance

Designed in 2000 by Leslie Shapiro Joyal.
