

Lucke Chair

An unadorned and refined interpretation of the iconic American mid century school chair.

Constructed of solid wood, Lucke's gently curved back and seat provide both comfort and support.

Inspired by the belief that a form's pure beauty can be revealed through a process of reduction – like stripping layers of paint.

Provenance

Designed in 1999 by Leslie Shapiro Joyal.

Materials

Solid wood with hand applied clear oil finish.

Dimensions

18w x 22.5d x 31h

Lead Time

6-8 Weeks
